*Kia ora, Talofa lava, Kia orana,
Good afternoon everyone,*

Kia ora koutou katoa,

Term three is here and we have an exciting term ahead. Our school theme for inquiry learning is sustainability. The children will be investigating and learning about concepts within this theme. We will be celebrating our learning in week 9 with a wearable arts event. Keep an eye out in the newsletter for more details.

*We welcome back to school **Mrs Ellis** this week. Marg will be returning to school on a part time basis this term. Mrs Kyle and Mrs Ellis will be sharing the teaching responsibility for Room 7 for the remainder of the year. Room 7 & 8 school reports will come out Monday along with a notice to arrange interview times.*

*A big warm welcome to **Mrs Corbett**. Jennie is joining us as a full time staff member and brings with her experience teaching a range of levels and extensive maths knowledge. She will be teaching a group of wonderful year one children in our Kaiapo building (beside Room19).*

***Congratulations to Miss Brady!** During the holidays she got married so Room 4 now has Mrs Dayna Waretini teaching them.*

The re-roofing of the hall and admin/senior block was delayed during the holidays which means we will be accommodating these upgrades during the first part of this term.

Please make sure you read the information in this newsletter about the measles as there have been confirmed cases in Hastings. If you want further information or to check we have your child(ren) immunisation records please contact the office.

*Please refer to our calendar for further events.

I look forward to the coming term and seeing all the wonderful learning and fun which will happen.

Medical Reminders

We often have a few 'bugs' around the school.

- ❖ A common one is a nasty cough/flu type illness. Keep your children home if they have symptoms of this as it spreads easily.
- ❖ If your child has had vomiting or 'number twos', they MUST stay home for 2 days after the last event. This illness definitely spreads quickly around the school.
- ❖ Headlice are always around so make sure that you check your child's hair regularly (we suggest weekly) and treat the hair if necessary. We have treatments available from school for free. Just pop in and we can give you some.
- ❖ If your child is at all unwell, please keep them home so that they don't pass bugs on to other children. Also if a child is feeling unwell they are not able to learn easily and are much better off at home snuggled up in bed.

Don't forget to contact the school office to let us know when your child is unwell please.

VALUE OF THE WEEK

We run a values programme where our four school values are promoted and celebrated. The children are using the values all the time. Our teachers reinforce their use daily. This week we are focussing on - **Respect** - which means, believe

in yourself, value the feeling and rights of others and show regard for the environment.

Expected behaviour this week: communicating well.

Our value for Week 10, Term 2 was ...

"RESPECT"

*Let's have a peek into Room 3...
What have you got to share with us this week?*

In Room 3 we have been learning about Matariki.

For our Matariki Celebration we made paper mache lanterns.

We firstly used balloons to create the shape of the lantern and then used coloured tissue paper to build the layers so that our lanterns were strong enough to sit on their own. When the lanterns were dry we popped the balloons and were left with a colourful bowl shaped lantern.

A message from the District Health Board:

We have a child with measles in Hawkes Bay. Measles is a serious, highly infectious viral disease that is easy to prevent through immunisation. We suggest you release the following information again to your whanau and wider community.

If your child has had two doses of the Measles, Mumps and Rubella (MMR) immunisation they are protected.

As there is a high chance that measles could spread throughout Hawke's Bay, we urge you take the following steps to make sure your child is protected:

Check your child has had two doses of the MMR immunisation.

- If your child only has a record of receiving one dose of MMR they should have another as soon as possible
- If your child has no record of MMR immunisation they should have one dose now and a second dose FOUR weeks later.
- **Immunisation is FREE from your GP or Practice Nurse.**

Please make sure your child's school has a copy of their immunisation certificate. If your child has contact with a person with confirmed measles they may be asked to keep away from school for up to two weeks if there is no record of them having been immunised against MMR.

Immunisation is highly recommended as it protects your child and helps prevent the spread of infection in the community when an outbreak occurs.

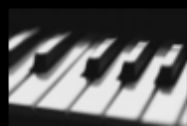

If you require further information, you can find out more from the Ministry of Health's website www.health.govt.nz/measles

Piano Lessons

Would your child like to learn piano but can't get to lessons? They can learn from home! Online lessons suitable for complete beginners aged 3 yrs+ and parents with no previous musical experience. Watch step-by-step video lessons and get personalised feedback from me using a unique video-upload feature. Optional individual (webcam) lessons also available.
