*Kia ora, Talofa lava, Kia orana,
Good afternoon everyone,*

Kia ora koutou katoa,

Our term is well underway and the children are busy with the learning happening in their classes.

It is great to see children coming into the office to enter the whānau community survey competition. This survey is a good way for us to gather your thoughts of your tamariki experiences in school. When you complete the survey you will be able to answer the prize draw questions for your child to enter. They need to record the answer, their name and room number on a small piece of paper and bring it the entry box in the office.

Question: How many year levels can you choose from when completing the survey?

Below is the link to the survey. If it is easier for you to complete the survey here at school we have a iPad set up in the office.

Room 7 & 8 reports went home last week along with an interview notice. Please make contact with Mrs Ellis and Mrs Hanson to arrange a time for an interview.

Over the next few days the re-roofing project will move down to Room 1 & 2. During this time those classes will be working in the library. Fences will be put up around the work area to keep our children safely away from the work zone.

Every year we have a grocery draw for all families who have paid their school donation by the end of term 2.

Congratulations to the Pineaha and Tabernacle families who are this year's grocery voucher winners.

*Please refer to our calendar for further events.

VALUE OF THE WEEK

We run a values programme where our four school values are promoted and celebrated. The children are using the values all the time. Our teachers reinforce their use daily. This week we are focussing on - **Resilience** - which means, having the strength, courage and resourcefulness to persevere when you face challenges.

Expected behaviour this week: cope with disappointment.

Let's have a peek into Room 12...

What have you got to share with us this week?

We have had a very busy couple of weeks back in Room 12. We have created a "wow wall" to celebrate all of our learning and hard work in Term 3.

We have also had new students start this term - a big, warm welcome to Riva, Vinailaliz, Alicia, Declan, Carter, Hazel, and Teiyahrn. We look forward to having you for the rest of the year!

Room 12 started our Firewise learning this week. We learnt all about the different types of fires and practiced our fire safety. We are so excited for the firemen to come and visit later this term so we can share our learning with them!
