*Kia ora koutou katoa, Talofa lava, Kia orana,  
Good afternoon everyone,*

*Our **Tohea Trophy** sports teams are all set for the tournament tomorrow (Thursday). Games start at approximately 9.30am and will run through to 2.00pm. If you have some time came along to support our teams. We wish our players the best of luck and most importantly that they have fun representing our school.*

**SCHOOL DROP OFF AND PICK UPS** - There have been an increasing number of drivers not following the road rules when dropping off or picking up their children from school. **Please do not stop on yellow lines or on the grass verges along the road.** I understand the frustration of not being able to find a close park but the safety of our children is paramount. A reminder too that you may not bring your car into the school grounds.

A big thank you to the whānau who have already completed the **community survey** for us. Remember we have a device you can use in the office if it is easier for you. When you complete the survey you will be able to answer the prize draw question for your child to enter our competition. They need to record the answer, their name and room number on a small piece of paper and bring it to the entry box in the office.

Question: How many year levels can you choose from when completing the survey?

We **need two new helpers for our breakfast club** on Tuesday mornings. This would take up about an hour and a quarter of your time, before school. If you would like to know more about the role, please contact Anna in the office. (8789766)

Please refer to our calendar for further events.

## Medical Reminders

We often have a few 'bugs' around the school.

- ❖ A common one is a nasty cough/flu type illness. Keep your children home if they have symptoms of this as it spreads easily.
- ❖ If your child has had vomiting or diarrhoea, they MUST stay home for 2 days after the last event. This illness definitely spreads quickly around the school.
- ❖ Headlice are always around so make sure that you check your child's hair regularly (we suggest weekly) and treat the hair if necessary. We have treatments available from school for free. Just pop in and we can give you some.
- ❖ If your child is at all unwell, please keep them home so that they don't pass bugs on to other children. Also if a child is feeling unwell they are not able to learn easily and are much better off at home snuggled up in bed.

*Don't forget to contact the school office to let us know when your child is unwell please.*

### VALUE OF THE WEEK

We run a values programme where our four school values are promoted and celebrated. The children are using the values all the time. Our teachers reinforce their use daily. This week we are focussing on - **Resilience** - which means, having the strength, courage and resourcefulness to persevere when you face challenges.

Expected behaviour this week: be proud of yourself and others.

Our value for Week 3, Term 3 was ...

#### **"RESILIENCE"**

Let's have a peek into Room 8...  
What have you got to share with us this week?

Room 8 has been busy completing their calendar art. We were learning to blend pastel colours together. Here are some samples of the fabulous art work that we have completed. These will be available to order in the very near future.

## A message from the District Health Board:

We have a child with measles in Hawkes Bay. Measles is a serious, highly infectious viral disease that is easy to prevent through immunisation. We suggest you release the following information again to your whanau and wider community.

**If your child has had two doses of the Measles, Mumps and Rubella (MMR) immunisation they are protected.**

As there is a high chance that measles could spread throughout Hawke's Bay, we urge you take the following steps to make sure your child is protected:

**Check your child has had two doses of the MMR immunisation.**

- If your child only has a record of receiving one dose of MMR they should have another as soon as possible
- If your child has no record of MMR immunisation they should have one dose now and a second dose FOUR weeks later.
- **Immunisation is FREE from your GP or Practice Nurse.**

**Please make sure your child's school has a copy of their immunisation certificate.** If your child has contact with a person with confirmed measles they may be asked to keep away from school for up to two weeks if there is no record of them having been immunised against MMR.

Immunisation is highly recommended as it protects your child and helps prevent the spread of infection in the community when an outbreak occurs.

If you require further information, you can find out more from the Ministry of Health's website [www.health.govt.nz/measles](http://www.health.govt.nz/measles).
