*Kia ora koutou katoa, Talofa lava, Kia orana,*

*The term is flying by and it is great to see all the learning opportunities our children are experiencing.*

*Congratulations to all our tamariki who participated in the Tohea Trophy event last Thursday. They played well and achieved a second equal placing in the competition. Also, a big thank you goes out to Mrs Sanders and her team for organising the event. Whakamihi on a great day.*

*Rooms 7, 8 and 20 were the first to participate in a visual arts session with two facilitators from the Hastings Art Gallery on Monday. They created a piece of art using the collage technique. All classes are scheduled to have a session over the next few weeks. This collage activity is a great way to reuse materials for another purpose, which ties in with our theme of sustainability this term.*

*This week our Year 6 students have been experiencing the opportunities that both Hastings and Heretaunga Intermediates have to offer. They have spent a day at each school.*

*If you have been into your child's classrooms lately you would have seen a lot of recycling being collected. This is all part of the planning and designing process for their wearable art creations. Save the date; Friday 20th of September for our wearable arts presentation.*

*This is the last week for our whānau community survey. Here is the link in case you haven't been able to do it yet.*

## **Whānau Community Survey Link**

*Remember, once you have done the survey your child will be able to enter the prize draw. They need to record the answer to the question, their name and room number on a small piece of paper and bring it to the entry box in the office.*

*Question: How many year levels can you choose from when completing the survey?*

*Please refer to our calendar for further events.*

## Medical Reminders

Reminder that if there is even a doubt that your child has measles, get them to the doctor immediately – this is a very serious illness.

We often have a few 'bugs' around the school.

- ❖ A common one is a nasty cough/flu type illness. Keep your children home if they have symptoms of this as it spreads easily.
- ❖ If your child has had vomiting or diarrhoea, they MUST stay home for 2 days after the last event. This illness definitely spreads quickly around the school.
- ❖ Headlice are always around so make sure that you check your child's hair regularly (we suggest weekly) and treat the hair if necessary. We have treatments available from school for free. Just pop in and we can give you some.
- ❖ If your child is at all unwell, please keep them home so that they don't pass bugs on to other children. Also if a child is feeling unwell they are not able to learn easily and are much better off at home snuggled up in bed.

**Don't forget to contact the school office to let us know when your child is unwell please.**

### VALUE OF THE WEEK

We run a values programme where our four school values are promoted and celebrated. The children are using the values all the time. Our teachers reinforce their use daily. This week we are focussing on - **Relationships** - which means, interacting in a caring, respectful way to develop positive connections.

Expected behaviour this week: show good sportsmanship.

Our value for Week 4, Term 3 was ...

**"RESILIENCE"**

The following children received awards at our last Assembly:

As an end of season celebration, tomorrow (Thursday), our netball teams will be playing a friendly game against each other.

They will finish off with a shared lunch together.

Could every netballer please bring a plate of food to share?

Thank you.

*Let's have a peek into Room 19...  
What have you got to share with us this week?*

**Room 19 are busy at work...**

*In Room 19 for Inquiry we are Learning about the Maori Gods and designing wearable art costumes which represent our chosen Maori God. Our wearable art costumes are made out of recycled or reused materials. We are having so much creative fun and Learning!*

*We have also watched and read the story of the Lorax.*
