Kia ora koutou katoa, Talofa lava, Kia orana,

The hard work the tamariki have been putting in during their cross country training has paid off as today was our school cross country down at St Leonard's park. Congratulations to all the place getters and 'Way to go' to all the runners for showing resilience and finishing the course.

Our sporting events continue next week with the visit from Takapau School on Wednesday the 4th of September.

It is great to visit the rooms and see our tamariki involved in their learning. Being at school daily, at all ages, is important for learning and growing friendships. It is important that, if your child is well, they are at school on time, each day.

Reminder that if you received an immunisation certificate request and you haven't as yet dropped it into school, please do this as soon as possible.

We have had a couple of changes with our Breakfast Club. It will now be held on a Tuesday and Friday mornings. Thank you to our new helpers who have started on a Tuesday morning.

*Please refer to our calendar for further events.

Medical

Measles is still about – if in doubt, check it out. Take your child to your doctor immediately.

We often have a few 'bugs' around the school.

- ❖ A common one is a nasty cough/flu type illness. Keep your children home if they have symptoms of this as it spreads easily.
- ❖ If your child has had vomiting or diarrhoea, they MUST stay home for 2 days after the last event. This illness definitely spreads quickly around the school.
- ❖ Headlice are always around so make sure that you check your child's hair regularly (we suggest weekly) and treat the hair if necessary. We have treatments available from school for free. Just pop in and we can give you some.
- ❖ If your child is at all unwell, please keep them home so that they don't pass bugs on to other children. Also if a child is feeling unwell they are not able to learn easily and are much better off at home snuggled up in bed.

Don't forget to contact the school office to let us know when your child is unwell please.
