Kia ora koutou katoa, Talofa lava, Kia orana,

Wow it is already week 7! The term has been busy and we still have a lot of great learning opportunities ahead.

Miss Himiona has been hard at work with a group of ten senior tamariki putting together a performance for the Hawke's Bay Festival of Youth. They will be attending the dress rehearsal on the 24th of September in preparation for the main performance that evening.

*The RSS team met on Monday evening to plan our upcoming fundraising events. Calendar order forms and the instruction on how to order these online will come out in the next couple of weeks. Keep an eye out in the newsletter for future events or you can follow their facebook page **Raureka School Community Fundraiser**.*

Thinking ahead to term four - the children will need to be wearing their school hat at morning tea and lunchtime. Now is a good time to check if your child's hat still fits. They are on sale in the school office for \$10.00.

Unfortunately, due to the weather the Takapau Exchange had to be cancelled.

*Please refer to our calendar for further events.

Acting Principal*

VALUE OF THE WEEK

We run a values programme where our four school values are promoted and celebrated. The children are using the values all the time. Our teachers reinforce their use daily. This week we are focussing on - **Respect** - which means, believe in yourself, value the feelings and rights of others and show regard for the environment.

Expected behaviour this week: show respect for others.

Let's have a peek into Room 1... What have you got to share with us this week?

Room One were very lucky on Friday to have two wonderful Artists/Teachers from the Hastings Art Gallery teach the students about 'collage.' The children enjoyed it immensely and want to do it again. Check out Osiris's work and his story.

Osiris wrote a backstory for his artwork:

*This is a woman who loves to
read books, that's
why her face is covered in
words. She has a number of
books in her bag to show
she loves books and reading.*

Two of Room One students Carter Scannell and Luke Hammond, really enjoyed having an extra maths challenge. They took home some very complicated coordinates where they plotted dots and lines. They created their pictures and shared them to the class the next day. Tino pai!
