Kia ora koutou katoa, Talofa lava, Kia orana,

It is nice to see the sun again and with the sun comes more progress on the replacement roof. Thank you for your patience with this project, especially the tamariki and kaiako who have had to move out of their rooms.

Winters sports are just about all wrapped up. Thank you to all the parents and staff who made it possible for our children to participate in the sports on offer.

There were a large group of children representing Raureka School at the interschool cross country today. It was great to be able to go along and watch them competing to the best of their abilities.

Our senior kapa haka group are busy preparing for the festival next term. The dedication from these children is something to be proud of. Keep an eye out in the newsletters next term for festival details.

There are still some immunisation records that need updating in our school office. If you received a letter this term and have not been able to send along your child's records, please make contact with Chris in the office.

Our wearable arts parade is next Friday (20th September) at 11.30. More details about this event are in this newsletter. I look forward to seeing many of you on this day to celebrate the terms learning.

Please refer to our calendar for further events.

VALUE OF THE WEEK

We run a values programme where our four school values are promoted and celebrated. The children are using the values all the time. Our teachers reinforce their use daily. Medical

Measles is still about – if in doubt, check it out. Take your child to your doctor immediately.

We often have a few ‘bugs’ around the school.

- ❖ A common one is a nasty cough/flu type illness. Keep your children home if they have symptoms of this as it spreads easily.
- ❖ If your child has had vomiting or diarrhoea, they MUST stay home for 2 days after the last event. This illness definitely spreads quickly around the school.
- ❖ Headlice are always around so make sure that you check your child’s hair regularly (we suggest weekly) and treat the hair if necessary. We have treatments available from school for free. Just pop in and we can give you some.

If your child is at all unwell, please keep them home so that they don’t pass bugs on to other children. Also if a child is feeling unwell they are not able to learn easily and are much better off at home snuggled up in bed.

Don’t forget to contact the school office to let us know when your child is unwell please.
