*Kia ora koutou katoa, Talofa lava, Kia orana,*

*Welcome to Week 5.*

*Last week we started the Life Education Trust visit (with Harold). I have been told that everyone has thoroughly enjoyed the time so we are fortunate that they are here this week as well.*

*Today our Kapa Haka group has gone to perform. I know that they are going to represent us and most importantly, themselves, extremely well. I am so proud of every one of them for doing so well. A huge thanks to Mrs Waretini and Whitney for the effort they have put in to make this so successful.*

*Tomorrow, we have our Athletic Sports. Please come and see just how well our Tamariki are doing. The juniors start at 10.00am and the seniors at 12.15pm. I'm looking forward to seeing the children do well for their house.*

## **TEACHER ONLY DAY**

***Remember we do NOT have school on Monday.*** All teachers will be involved in curriculum development so no-one will be on site. If you want your child to be looked after by OSCAR, please contact them and make your own arrangements.

*Please refer to our calendar for further events.*

*Have a great week!*

## VALUE OF THE WEEK

We run a values programme where our four school values are promoted and celebrated. The children are using the values all the time. Our teachers reinforce their use daily. This week we are focussing on - **responsibility** - which means, look after yourself and those around you by being a committed, contributing member of society.

What have you got to share with us this week?*

## Room One's Learning

### *LEARNING HOW TO READ THE TIME*

ROOM ONE have been busy learning how to read the time. They made clocks out of paper plates and a pin. Lots of learning with a fun activity. We are learning quarter past and to the hour.

Hineata , Issac and Lakai are modelling their clocks.

### *BLOSSOM PICTURES*

The tamariki observed our ataahua (beautiful) trees around our environment and created a response by making these nga taonga (treasures).

One Literacy Class have been immersed in planning, writing and editing their creative ideas. Our focus was 'making our writing come alive' by using descriptive words to support their ideas. We have some fabulous, budding authors in our class.

## LOST IN THE FOREST

Once I was walking along a pathway in the bushy forest but then just off to the side I saw a creature. I moved closer, cautiously thinking in my head "What is this, what is going on?" I walked up close to it , but it ran away. I caught up with it. It's glooming eyes were as scary as hell. It turned around quickly and chased me until I was lost.

I climbed up a hill and saw a helicopter. It came down and took me home and closed the pathway. I knew I was saved from that creature from hell.
