Kia ora koutou katoa, Talofa lava, Kia orana,

Here we are and it is already Week 7!

A reminder that we will be finishing school for the year on Thursday 19 December at 12.30pm.

On Wednesday 18 December starting at 1.00pm, we will be having our end of year prize giving assembly. On this day we celebrate the success of our children and have our prize giving. Please come along and be part of this fantastic event.

(we will also have a sausage sizzle starting at 11.45am)

Sadly, Miss H (Mel Himiona) will be leaving us at the end of the year. We have appreciated all that Mel has done for us while working in Room 1. Mel will be missed by staff and children and we wish her all the very best for the future.

Mrs Waretini (Miss Brady), will be taking maternity leave and will re-join us in 2021. We wish Dayna, Marcus and baby Waretini all the best. Baby's aunts and uncles at school can't wait for a cuddle!

Next year we will be welcoming 2 new teachers, Whitney Nohokau and Daniel Filipo. We are really looking forward to them joining us and wish them the best.

Classes for 2020 – some teachers will change teaching levels and/or rooms. Detailed information regarding classrooms, levels etc is further on in this newsletter.

Stationery for 2020 – like this year you will be able to buy stationery from OfficeMax. They give our school discounted prices. You will receive a stationery list with your child's report, so you just need to go into OfficeMax and show the list and they should have it ready for you or you can order it online from them. We hope that you will purchase this during the holidays so that all children start the new year with their stationery.

Road Patrollers – thank you to these tamariki who have done such a great job throughout the year. On Monday, they were treated to a day at Splash Planet as a thank you from the Police.

Road Patrol Supervisors – a big thank you to our parents who help our patrollers. We'd be lost without you.

Parking – reminder that no cars are allowed into the school grounds. On Friday I received a call from a neighbour who has cars parked across the driveway on a regular basis. Please be considerate of others and leave the driveways clear.

Interschool Athletics – good luck to all of our representatives. I am sure that they are going to do their best on Friday. Parents are most welcome to support them.

*Please refer to our calendar for further events.

VALUE OF THE WEEK

We run a values programme where our four school values are promoted and celebrated. The children are using the values all the time. Our teachers reinforce their use daily. This week we are focussing on - **Resilience** - which means, having the strength, courage and resourcefulness to persevere when you face challenges.

Expected behaviour this week: growing self confidence.

Our Value for Week 6, Term 4 was ...

"Relationships"

The following children received awards at our last Assembly:

CHRISTMAS RAFFLE

This popular raffle is underway. Please remember you must return your raffle tickets to the classroom teacher whether they are sold, part sold or unsold. We would appreciate donations for the raffle. Anything with a Christmas theme would be much appreciated. Please note that we cannot include alcohol. Donations may be bought to the office.

Let's have a peek into Room 7 ...
 What have you got to share with us this week?

Room 7 have been doing an inquiry on We are what we eat. We have Learnt about the 5 food groups and how much we should eat of each group. Harold told us that VARIETY was important. We did a fat experiment which showed us what foods have a certain amount of fat.

Why do we need food?

We need food for:

Food is made up of different **nutrients**.

<p>Carbohydrates</p> <p>Bread Oat meal crackers rice</p>	<p>Proteins</p> <p>Chicken fish hamburger eggs</p>	<p>Fats</p> <p>Cheese margarine mousse</p>
<p>Vitamins</p> <p>pineapple, grapes cherries, mandarine</p>	<p>Minerals</p> <p>cabbage, carrots, peas, mushroom</p>

Fat

We need to eat some fat but not too much
Which of these foods do you think have fat in them?
Write what you think on the chart

Now find out which foods contain fat

1. Put some of the food on a piece of kitchen paper

2. Leave it for 30 minutes

3. Hold the paper up to the light. Look for a translucent patch.

4. If the translucent patch goes after another 30 minutes it was water, if it stays it is fat.

5. Label each paper with the food that was on it.

How could this investigation help people to plan what to eat?
