*Kia ora koutou katoa, Talofa lava, Kia orana,*

*Welcome to week 10 – usually at week 10 school finishes for the term. This term of course it is very different.*

- *Term 2 started on Wednesday 15 April after Easter with online learning – two weeks prior to our expected term 2 start.*
- *This of course followed up with the Level 3 school start, where some children came back to school and the majority of others were using online learning.*
- *When we changed to Level 2, most of the children came back to school and now with Level 1, all children are back and this week we have started having our regular school finishing time as well as having assemblies, breakfast in school and regular lunch times.*

***We will finish term 2 on Friday 3 July, in week 12.***

*The children will bring home **Reports** to share with you on 3 July. Reports this term will be different as we will not be holding our conferences and closing the school early to do this, as we know that you were asked to keep your children home during lockdown. If you would like to talk about the report, contact your child's teacher and arrange a time to come and do this.*

*Teachers will be running **Matariki** in their classes this year as we were unsure about being able to have a huge community get together. Our classes will celebrate Matariki on the last Wednesday of the school term with class activities.*

***On Friday 3 July we will have a fun day where the children have the opportunity to wear dress up.***

*Thank you for the support you have given us all since March.*

*please refer to our calendar for further events.*

*Have a great week.*

Expected behaviour this week: speaking respectfully.
