Kia ora koutou katoa, Talofa lava, Kia orana,

Welcome to Week 4.

*A big thank you to Nic Burkin and her crew who organised the **photo opportunity** on Sunday. Thanks to everyone for supporting this fundraiser as well. I'm sure the photos are going to be great when they're developed.*

*On Monday, we had Lynne Arnold visit 35 of our Y5/6 children who will be going **tree planting next Friday**, to further enhance our environment. The tree planting has been organised through the Regional Council and Pan Pac. We have been privileged to have been selected to be part of this.*

*We also had the **Duffy Theatre** visit on Monday and share their story about Duffy meeting a coggen (chicken, dog, cat). It was fun and children learned a little about caring for the environment and researching a topic.*

*Our Y6 children visited **Hastings Intermediate** yesterday in preparation for next year. I have heard that they had a great day. Next Tuesday, they will be visiting **Heretaunga Intermediate**. The intermediates will be wanting parents of Y6's to start the 2021 enrolment process soon, so please make sure that you have your child enrolled to ensure a place at the intermediate you think best for your child.*

*Our planned **sausage sizzle** tomorrow has been cancelled due to the latest Covid-19 alert level.*

*If anyone has a spare hour on a Tuesday morning 8.00-9.00am, we'd love a voluntary to help with our **Breakfast Club**. Please contact the office.*

*Please refer to our calendar for further events.

VALUE OF THE WEEK

We run a values programme where our four school values are promoted and celebrated. The children are using the values all the time. Our teachers reinforce their use daily. This week we are focussing on - **Resilience** - which means, having the strength, courage and resourcefulness to persevere when you face challenges.

Expected behaviour this week: be proud of yourself and others.

Our Value for Week 2, Term 3 was...

Ready for Raureka

This is a chance for 4 year olds who are close to starting school to come and experience a classroom environment. These sessions are fun fortnightly and you can attend on a casual basis. We encourage all parent of children who are interested in sending their child to Raureka to come along. These sessions run from 2.00-2.45pm every second Tuesday afternoon. This term they will be held in Weeks 6, 8 and 10.

Reading Together

Reading Together has had to be cancelled due to the latest Covid-19 Level.

Let's have a peek into Room 5 ... What have you got to share with us this week?

FUN TIMES IN ROOM 5

Writing: - My Special Place / The Best Present Ever

My Special Place

My special place is on top of my house. It is so much fun being up there because I can always hear my family but they can't hear me. Sometimes I can smell the food that my mum is cooking for dinner. I mostly hide there when we are playing hide and seek. It is so funny seeing my sister run around the house looking for me...but never looking up. I use the ladder from Bunnings to climb up. It is so high up that I can see Te Mata Peak from up there. I love being up there when the sun sets as the clouds are pink. I love it up there.

The Best Present Ever

The best present I ever received was an old picture of my great grandad that my mum gave me. He passed away when I was a baby so it meant a lot to me. I treasure it. When I was little I would always go into my secret place, which was the attic. Nobody would know that I was in there so I could take my old treasure with me. We would always just sit, sometimes I would even pretend that he could talk. I would tell him all the great things I had achieved. We would hear everyone down below us wondering where we were. We would smell mum's delicious meals being cooked. Sometimes I would even smell food, drinks and snacks that I would pretend to share with my great grandad.

Maths Week!

All classes have been participating in maths challenges this week to celebrate Maths Week. Correct answers to challenges go into a draw to win one of three new maths games for classrooms. This is a great way to have some fun in maths and to solve some tricky problems together!
