Kia ora koutou katoa, Talofa lava, Kia orana,

Welcome to Week 5.

Here we are back at Alert Level 2 again.

- *Thank you to everyone for supporting us with our change to the school day. We have made the change back to the shortened lunch time to be able to better manage contact between classes and children.*

When we have the longer lunch times, it is more difficult to manage close contact out in the playground as the children tend to get very close and get within the 'warm breath zone'.

When we move back to Level 1, we will change back to regular times.

We are doing our best to ensure that everyone is kept safe and we can have a better chance of limiting the amount of contact between classes and therefore stop any risk of passing on the virus.

- *At this stage the Tree Planting will continue on Friday as we are the only people going. Children will need to be at school, ready to go at 8.30am with warm clothing, a waterproof jacket, covered in shoes, lunch and a drink bottle of water. We will be back at school by 2.30pm. If the trip is cancelled, I will let people know as soon as possible.*
- *The Ministry of Health and Education both say that schools are open during Level 2 and it is safe for both adults and children to attend.
If you wish, you can supply your child with a mask to wear at school.*
- *A reminder, that children can enter school at 8.30am and go to their classroom.
School finishes at 2.30pm and ALL children must have left the grounds by 3.00pm.*

Please refer to our calendar for further events.

VALUE OF THE WEEK

We run a values programme where our four school values are promoted and celebrated. The children are using the values all the time. Our teachers reinforce their use daily. This week we are focussing on - **Relationships** - which means, interacting in a caring, respectful way to develop positive connections.

Expected behaviour this week: show good sportsmanship.

Our Value for Week 4, Term 3 was...

Ready for Raureka

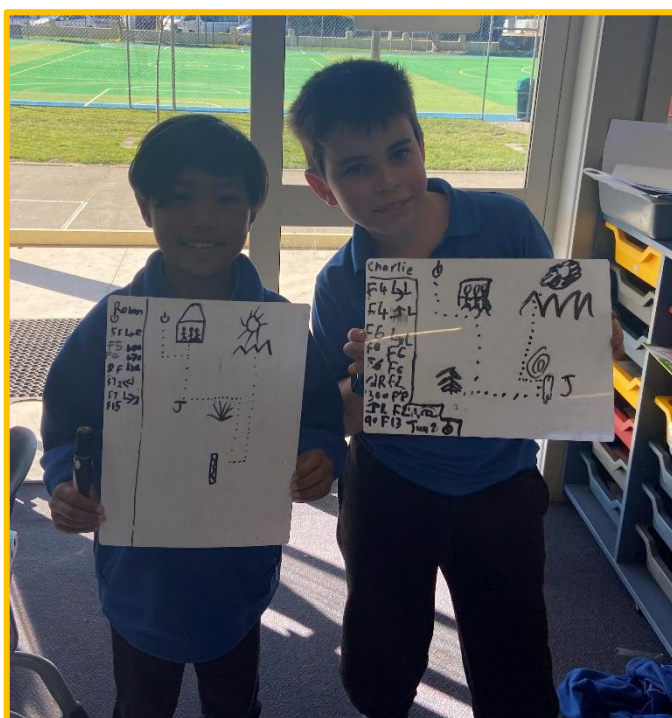

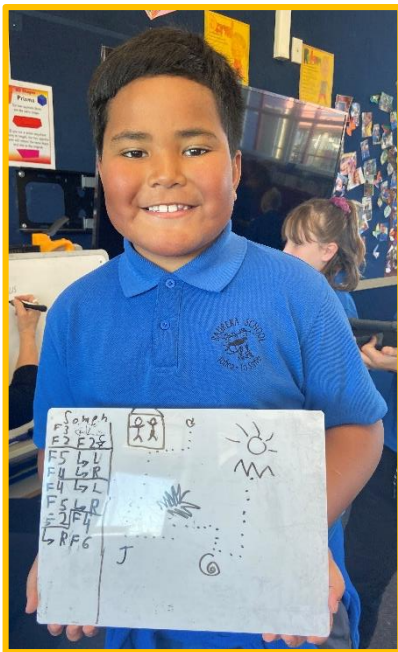

This is a chance for 4 year olds who are close to starting school to come and experience a classroom environment. These sessions are fun fortnightly and you can attend on a casual basis. We encourage all parent of children who are interested in sending their child to Raureka to come along. These sessions run from 2.00-2.45pm every second Tuesday afternoon. This term they will be held in Weeks 6, 8 and 10.

Let's have a peek into Room 2 ...
What have you got to share with us this week?

In Room 2 we had a session with Tracey from the digital circus. We learnt about coding and what vocabulary we had to use when talking about coding. We listened to a story about Maui and the sun. Then we choose four symbols that represented a different part of the story. Next we had to draw four pictures from the story on a whiteboard and use codes to guide Maui to each point in the story. We had so much fun!
