Kia ora koutou katoa, Talofa lava, Kia orana,

Here we are in week 8 with two more weeks of school to go before the end of the year.

We have had a huge last few weeks with lots of different activities for the children.

- *Congratulations to our Interschool Athletic team who represented us last week. Our children did extremely well getting great placings in the finals. I'm so proud that they did so well!*
- *Our YO's went to visit Santa and they had a ball.*
- *On Monday our Road Patrollers went to Splash Planet as a thank you for the time they were out on patrol throughout the year. Again, I'm very proud of the great job they have done.*
- *A huge congratulation to our teachers and support staff for all of the effort they have put in, helping our Tamariki achieve. This year our children have done extremely well with over 74% of all children at or above curriculum expectations for maths and 73% of all reading and 63% for writing. I'm thrilled of everyone's efforts this year especially with the interruption with Covid as well.*
- *School Reports are coming home next Friday afternoon.*
- *A big thank you to all parents/whanau who have supported us throughout the year – I really appreciate it.*
- *Please remember that if you have a problem or concern, get in touch with us so that we can get it sorted.*
- *Reminder – get your raffle tickets back as soon possible (even unsold tickets), as the raffle will be drawn next Friday (11 December).*
- *Lastly, please remember too, NO cars or dogs are allowed in the school grounds.*

Have a great week.

*Please refer to our calendar for further events.

Vomiting virus circulating in Hawke's Bay

A vomiting and diarrhoea bug is circulating through the Hawke's Bay community.

Anyone with vomiting or diarrhoea should stay away from work and sick children should be kept home for at least 48 hours after symptoms had cleared. Careful attention to hand washing would help prevent the bug spreading.

It is very important to make sure children don't get dehydrated so they should drink plenty of fluid while they are ill.

SCHOOL POOL

Unfortunately, the pool will not be available for key sales this year as the repairs are taking longer than expected because of the weather and the serious cracks in the pool. Next year we will be back to normal.

Let's have a peek into Room 5 ... What have you got to share with us this week?
